

– FROM THE EXECUTIVE DIRECTOR –

September 2009

We're already well into this year's exciting Pop Warner season! One additional event to look forward to is the upcoming Jr. Jaguars Bowl! 2009 marks the 14th anniversary of this outstanding event. Each year, the Jr. Jaguars Bowl gets better, and we expect the same for 2009.

Co-hosted by the Jacksonville Jaguars and Greater Jacksonville Pop Warner, we get positive feedback every year from this exciting weekend event. As in past years, the Jaguars will host all Pop Warner participants at their special Friday night party at the Jaguars' "Pepsi Experience."

Greater Jacksonville Pop Warner and the Jaguars work hard to create this fabulous event, and they're justifiably proud of both the event, and of the numerous college scholarships provided from the proceeds. We're sure that your teams will want to take advantage of the fun and excitement of this happening.

Please read the information and make sure to reply by the date indicated. Don't miss out on the fun of participating in this fun occasion!

Sincerely,

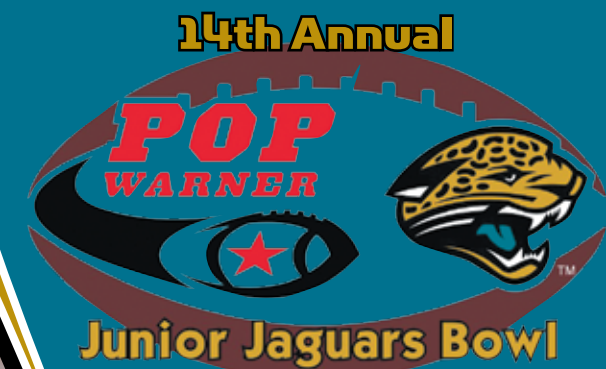

Jon C. Butler
Executive Director

"I believe strongly in the things we can learn from playing youth sports, and especially in an organization like Pop Warner football. I played Pop Warner when I was young and I have great memories from that time in my life. Participating in football at a young age has so many benefits, and the Junior Jaguars Bowl is a great opportunity to experience that."
